

3 May 2017

Dear Parents/Carers

BREAKFAST CLUB

Breakfast Club is back up and running at Lidcombe Public School for 2017. A healthy breakfast will be available to students on a Thursday morning from **8.30am to 8.55am at Lidbury Hall**. We will be offering a variety of foods including cereal, toast, fruit, toasted sandwiches, tinned spaghetti or baked beans, milk and yoghurt etc.

It is important that a permission note is signed by parents and any food allergies listed. Once students return this permission note to Breakfast Club they will be issued with a 'Breakfast Club Card' which will need to be shown each time they wish to attend Breakfast Club. **Please complete the note below and return to the Breakfast Club tomorrow morning.**

Unfortunately, if your child does not have a signed permission note or Breakfast Club Card we will be unable to give them any breakfast.
