Dear Parents/Carers

READING EGGS / MATHLETICS

In 2019 Lidcombe Public School will be using two educational programs to enhance our student's learning.

All students will be given access to **ABC Reading Eggs / ABC Reading Eggspress**. These educational programs make learning to read interesting and engaging with great online reading games and activities. ABC Reading Eggs and Reading Eggspress were created by a highly experienced team of Australian primary school teachers, writers and developers to help children become fluent and proficient readers. The multi-award winning early learning resource supports your child's learning to read journey with carefully designed online reading games and activities that are easy to follow, self-paced, and highly engaging for young learners. Children love the games and other rewards which, along with feeling proud of their reading, really motivate children to keep exploring and learning. To access this program by yourself at home would cost up to \$90 but by doing it through the school the cost to access this program is only **\$12**.

All students will also be using **Mathletics** in 2019. This is a targeted, rewarding and highly captivating online learning resource to power maths learning from Kindergarten through to Year 6. The program includes a full set of curriculum-aligned activities covering all topics and themes of maths covered throughout primary school. All activities are automatically marked, with learners receiving clear and intuitive feedback on their progress. Curriculum content is supported by interactive tutorials to both support and extend the learning. To access this program by yourself at home would cost up to \$99 but by doing it through the school the cost to access this program is only **\$13**.

Please return the attached note and payment, in the envelope provided, to your child's class teacher by Friday 15 March 2019. Once payment is received, your child will be able to access the Reading Eggs/Eggspress and Mathletics programs in the classroom and at home for the rest of 2019.
